The Hindu Bureau SALEM

Events like *Kalai Thiruvizha* are increasing self-confidence among students, said Salem District Collector R. Brinda Dev on Saturday. The Collector was distributing prizes and certificates of appreciating to district level winners and participants of *Kalai Thiruvizha* competitions held on behalf of the School Education Department in a function held at a private college near Karuppur.

Ms. Brinda Dev shared that *Kalai Thiruvizha* competitions are organised every year at district and state levels to help students tap into their artistic talents. "The Tamil Nadu government is conducting such programs to help students discover their abilities during their school years. Cultural activities like these help children improve their decision-making and boost confidence. As children learn their favourite art, they gain a deeper understanding of the world," she added.
